

MADDEN

for MAYOR

www.claymadden.com

My name is Clay Madden. For the past 7 years, I have served you as a City Councilman-at-Large. In that time, I have listened to your concerns that Mandeville needs proactive and collaborative leadership. I agree with you, and I want to offer that leadership style to our great citizens. Our city will elect a new Mayor of Mandeville on April 4, 2020. I am excited to announce my candidacy for that important office.

*I respectfully ask for your
vote on April 4, 2020.*

As Mayor of Mandeville, I believe:

- **Our citizens know what is best for this city.** I promise to be a Mayor who will listen and ask, “what do you need and how can we help?” Talking and listening to citizens, homeowner associations, and business owners will be a top priority.
- **You deserve to know what is going on.** I promise as Mayor to publish an interactive project log on the city website, where citizens can receive text alerts for project updates, meeting reminders, and emergency preparedness.
- **You deserve shorter and hassle-free travel and access in and out of our city.** I promise as Mayor to continue to host and lead traffic meetings with other government entities and DOTD to help push projects forward and to get information to constituents.
- **You deserve a thriving business community.** I promise as Mayor to collaborate with our business community to create programs that will incentivize business owners to fill our empty stores with tenants you want. The next Mayor of Mandeville must be proactive to make Mandeville attractive to new and desired business tenants.
- **You deserve a beautiful city.** I promise as Mayor to focus our efforts on the beautification and cleanliness of Mandeville by promoting tree and shrub plantings in public areas and scheduled grass cutting throughout the city. Code enforcement must be a proactive priority.
